**Dear Leapfrog IT Fellowship Committee,**

I would like to express my interest in the Leapfrog IT Fellowship program. As a highly motivated information technology student with a strong passion for software development. I believe my skills and academic background align perfectly with the program's goals.

In my academic career , **I designed and implemented a Tic Tac Toe Game using HTML, CSS, JavaScript , Rock ,Paper, Scissors Game using HTML, CSS, JavaScript, Myntra Shooping App Clone using HTML CSS, Calculator using HTML, CSS, JavaScript and Social Media Site using React.js.** My current focus on become fullstack developer in Java and React js. further reflects my desire to contribute to the ever-evolving IT landscape.

Beyond academics, I possess **strong problem-solving, analytical thinking, communication.** I used my problem-solving skills to troubleshoot a critical network issue, minimizing downtime and ensuring smooth operations. I am a q**uick learner and a team player, eager to collaborate with experienced professionals and gain valuable insights from industry leaders like yourselves.**

The Leapfrog IT Fellowship program particularly appeals to me because of its focus on innovation, mentorship opportunities, or the chance to work on cutting-edge projects. I am confident that this program will provide me with the opportunity to develop my technical skills, gain practical experience, and contribute to meaningful projects.

I have attached my resume for your review, which further details my qualifications. I am waiting for your positive response.

Sincerely,

**Rajesh Kumar Yadav**
